

**– APPLICATION FORM –**

Please complete the application form and send it by e-mail with the subject line "ctrlX developR Challenge 2024" to [ctrlx.automation@boschrexroth.com](mailto:ctrlx.automation@boschrexroth.com).

The registration deadline is **June 30, 2024**.

**Name\*:** \_\_\_\_\_ **First name\*:** \_\_\_\_\_

**E-mail address\*:** \_\_\_\_\_

**Phone number:** \_\_\_\_\_ **Position (Job)\*:** \_\_\_\_\_

**Company\*:** \_\_\_\_\_

**Name of the project\*:**

---

Bosch Rexroth will review the ideas and projects submitted and get back to you on your application by July 19, 2024 at the latest. If your project is selected for the final, you will have the opportunity to present your project to other developers in a pitch (10 minutes + Q&A session) at the ctrlX developR Conference on September 26 in Ulm, Germany. All finalists of the challenge will automatically receive an official invitation to the ctrlX developR Conference.

**Project description\*:** Explain your project with ctrlX AUTOMATION or ctrlX OS? (Use case, implemented products, implementation (engineering, coding, ...), other special features)  
(max. 1000 characters incl. spaces)

**Motivation\*:** Why would you like to present your project at the ctrlX developR Conference?  
What makes your project special?  
(max. 800 characters incl. spaces)

**How did you hear about the "ctrlX developR Challenge 2024"?**

Further relevant **project information (e.g. video, presentation, ...)** can be attached to the application. Please send the files or a link to a repository together with the application form to [ctrlx.automation@boschrexroth.com](mailto:ctrlx.automation@boschrexroth.com).
